in what has become a bible for the business world the successful former ceo of herman miller inc explores how executives and managers can learn the leadership skills that build a better more profitable organization leadership is an art has long been a must read not only within the business community but also in professions ranging from academia to medical practices to the political arena first published in 1989 the book has sold more than 800 000 copies in hardcover and paperback this revised edition brings max de pree s timeless words and practical philosophy to a new generation of readers de pree looks at leadership as a kind of stewardship stressing the importance of building relationships initiating ideas and creating a lasting value system within an organization rather than focusing on the hows of corporate life he explains the whys he shows that the first responsibility of a leader is to define reality and the last is to say thank you along the way the artful leader must stimulate effectiveness by enabling others to reach both their personal potential and their institutional potential take a role in developing expressing and defending civility and values nurture new leaders and ensure the continuation of the corporate culture leadership is an art offers a proven design for achieving success by developing the generous spirit within all of us now more than ever it provides the insights and guidelines leaders in every field need

in evangelical christian executives dr solomon has captured the essence of an effective and refreshingly different approach to business in telling the compelling stories of six christian ceos he

shows us an alternative to an ethic of greed that has so tarnished corporate america john d beckett ceo and chairman of r w beckett corp events of recent years have encouraged a high degree of skepticism and doubt about business institutions and markets in the face of widespread cynicism about corporate credibility business leaders are seeking to restore the trust and confidence not only of investors but of employees customers suppliers shareholders potential investors and the public at large in this volume lewis d solomon focuses on evangelical christians who have founded or come to lead six firms he explores whether religion offers a constructive way to think about corporate governance and the tensions between profitability and social responsibility solomon finds that many christian executives have a private faith leading quietly by example others want their faith to shine forth solomon focuses on this latter group dividing them into two categories the first group he identifies as preachers who weave visible demonstrations of their faith into the fabric of their businesses the second are those who take a more sophisticated approach based on two biblical principles stewardship and or servant leadership in addition to examining how these leaders of faith have successfully brought their religious values into their businesses he assesses the consequences of incorporating their faith and values into their business organizations considering profitability employee and customer satisfaction legal and environmental compliance and charitable giving together with these leadership styles and results solomon presents three business models constant transformational and evolving that enable readers to gain a further understanding of the six companies while solomon shows that it is possible to integrate financial profitability and broader religious goals he finds that it is difficult though not impossible to maintain a biblically based leadership style after a firm goes public or expands with the growth of evangelical christianity in many sectors of american public life this volume will be of broad interest to business executives sociologists students of religion and economists lewis d solomon is theodore rinehart professor of business law at the george washington university law school where he has taught corporate and tax law for over twenty five years a prolific author on legal business public policy and religious topics he has written over fifty books and numerous articles he is an ordained rabbi and interfaith minister

this book will have wide interest and import for clergy and members of churches who want to increase the vitality and effectiveness of the churches of which they are a part it is unique in focusing on organization development od a strategic theory that has achieved wide acceptance within business and industry heretofore it has not been applied to institutional religion this volume meets that need by combining human relations and systems approaches designed to increase productivity and personal fulfillment concepts that should have wide appeal at a time in religious history when religion is experiencing much challenge malony is convinced that the application of these od principles can have a remarkable impact on church life

workplace health is now recognised as having major legal financial and efficiency implications for organizations psychologists are increasingly called on as consultants or in house facilitators to help design work processes assess and counsel individuals and advise on change management the second edition of this handbook offers a comprehensive authoritative and up to date survey of the field with a focus on the applied aspects of work and health psychology an unrivalled source of knowledge and references in the field for students and academics this edition also reflects the

universities and their presses are often thought of as ivory towers secluded and protected from the harsh realities of the world this history describes the powerful national forces that shaped both the press and the university from a single window is both a discussion of distinguished press books and a lively reexamination of a forgotten past above all this is the inside story of how writers professors and administrators enabled michigan state university to build a scholarly press

this book identifies the ideals that are essential to successful leadership in colleges and universities it explains how values shape a leader s realities and shows how leadership is a conceptual moral and performing art form built on ideas and ideals as well as a solid philosophical and empirical foundation and perfected in practice as embarrassing reports of misconduct and wrongdoing in the highest offices of our universities and colleges continue to circulate it is important to step back and ask a couple of important questions what should leaders stand for and what are the ideals that will enable them to design climates that nurture the potential of colleagues students and other constituents arguing that effective leadership is as much a test of character as a test of intellect e grady bogue identifies those ideals that are essential to

successful leadership performance in colleges and universities he explains how leadership values construct a leader's realities and he shows how leadership is a conceptual moral and performing art form built on ideas and ideals based in a solid philosophical and empirical foundation and perfected in practice. Bogue also examines the literature on leadership effectiveness and offers illustrations from diverse settings along with anecdotes from his personal experience that show how knowledge, values, and skill must be integrated in the effective leader. These examples reflecting on honor, dignity, candor, compassion, courage, and other leadership qualities provide a rich source of ideas for the development and improvement of leadership in higher education.

These powerful strategies for living a life characterized by significance and impact have given men greater meaning in the most vital aspects of their lives.

Beyond Success was written to inspire and guide those who strive to create greater meaning in their lives. With bold originality, Bogue challenges the cultural belief systems that prevent people from realizing their true potential.

Devoted to those who recognize that the human side of work has been lost after a decade of downsizing, restructuring, and reengineering, the authors show how to develop a community of people who communicate well, treat one another with dignity, and benefit from their diversity.

Bill Carmichael teaches you how to cultivate your home as a place of refuge, formation, boundaries, celebration, connection, legacy, and purpose—a place where your children can grow in godly virtues and character.

This book presents a collection of key international articles in sales management with additional commentary. The text covers issues of business-to-business marketing, database marketing, customer service, direct selling, technological developments, interpersonal communication, and precision marketing.
